## EDUCATION

- **Indiana University**, Bloomington, IN In progress  
PhD Student, Computational Linguistics
- **Tulane University**, New Orleans, LA Aug 2025 - June 2026  
Doctoral coursework in Linguistics GPA: 3.97/4.00
- **University of Pittsburgh**, Pittsburgh, PA Aug 2021 - April 2025  
BS, Computer Science and BS, Economics-Statistics GPA: 3.70/4.00  
Minors in Linguistics and Portuguese; Related Concentration in Latin American Studies; Phi Beta Kappa

## RESEARCH INTERESTS

- Low-resource natural language processing; morphology, semantics, & syntax (alignment, clause structure, voice); language documentation and revitalisation; speech community-centered language technologies
- Mayan (Kaqchikel, K'iche', & Yucatec) and Tupi-Guarani languages; minoritised lects of China and Vietnam

## PAPERS, PUBLICATIONS, & PRESENTATIONS

- Crawford, C., **Hu, H.** "G3-Inspired Segmentation Strategies for Sequence-to-Sequence Tasks in Low-Resource Environments." April 2025. Working manuscript.
- Adesokan, A., **Hu, H.**, & Madria, S. "DisFact: Fact-Checking Disaster Claims." In **Proceedings of the 25th International Conference on Web Information Systems Engineering**, Lecture Notes in Computer Science, vol 15440. Springer. [https://doi.org/10.1007/978-981-96-0576-7\\_31](https://doi.org/10.1007/978-981-96-0576-7_31). Presented December 2024, Qatar University.
- **Hu, H.** "Reimaginando a agência feminina num contexto anticolonial: figuração da personagem Ondina em *Mayombe*, de Pepetela." Presented virtually at the **II Congresso Nacional de Linguística Aplicada (CONALA) e I Congresso Internacional de Linguagem, Literatura e Discurso (CILLID)**, December 2024, Universidade Federal do Maranhão, campus Dom Delgado (São Luís).

## EXPERIENCE

- Graduate Research Assistant, Indiana University Bloomington In progress
  - Supported by NSF Award Number 2319247, "Collaborative Research: Syntactically-annotated corpora for endangered languages in areal contact." PIs: Robert Henderson and Francis Tyers.
- Data Science and Machine Learning Intern, **Incyte** June 2026 - Present
  - Built a machine translation evaluation system for a clinical labeling agent; implemented Skilly deep agent for writing regulatory histories
- Research Assistant, **Tunica-Biloxi Language & Culture Revitalisation Program** Sep 2025 - Present
  - Annotated and digitised archival resources, created online dictionary, and engaged in course planning activities with the Tunica-Biloxi Language & Culture Revitalisation Program. Currently working to improve OCR and layout analysis of primary texts.
- Research Assistant, **Pitt Computational Social Dynamics (PICSO) Lab** Aug 2024 - Dec 2024
- NSF REU Fellow, **Missouri University of Science and Technology** May 2024 - July 2024
- Independent Researcher, **Universidade de Oriente**, Valladolid, México May 2023 - June 2023

## LANGUAGES

- Proficient: Chinese (Standard Mandarin) & English
- Intermediate: Chang-Du Gan Chinese, Kaqchikel, K'iche', & Vietnamese
- Advanced: Portuguese & Spanish

## AWARDS

Foreign Language & Area Studies Fellowship (5-time recipient) Jan 2023 - Aug 2025  
Violeta F. Rodriguez Scholarship, Center for Latin American Studies at the University of Pittsburgh April 2023

Graduate Record Examination (GRE) score: **337/340 (167/170 Quantitative, 170/170 Verbal)** Jan 2025
